7th Annual Current Concepts in Brain Injury Rehabilitation

UPMC Rehabilitation Institute
Mercy Hospital
November 11, 2017

Current Concepts in Brain Injury Rehabilitation will address, through lectures and discussion, the treatments and strategies employed at the UPMC Rehabilitation Institute.

The conference goals are in line with the missions of the Department of Physical Medicine and Rehabilitation and UPMC Rehabilitation Institute to advance health, expand knowledge and improve care through research, teaching, rehabilitation services and medical care.

Nurses, therapists, case managers, psychologists, psychiatrists/physicians, fellows, and residents, involved with the care and rehabilitation of persons with brain injury are encouraged to attend.

The University of Pittsburgh School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of Pittsburgh School of Medicine designates this live activity for a maximum of **7.25 AMA PRA Category 1 Credit(s)**[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Other health care professionals are awarded **0.7 continuing education units (CEU's)** which are equal to **7.2 contact hours**.

The University of Pittsburgh **Department of Occupational Therapy** is a pre-approved provider of continuing education in Pennsylvania. This course is approved for **6.75 Contact Hours**.

The University of Pittsburgh, **Department of Physical Therapy** is a pre-approved provider of Continuing Education in Pennsylvania, and this course is approved for **6.5 units of General Access CEUs**.

The University of Pittsburgh is approved by the Continuing Education Board of the **American Speech-Language-Hearing Association (ASHA)**. This course is offered for 0.7 ASHA CEUs at the Intermediate Level, Professional Area.

The University of Pittsburgh is approved by the Continuing Education Board of the American Speech-Language-Hearing Association (ASHA) to provide continuing education activities in speech-language pathology and audiology. See course information for number of ASHA CEUs, instructional level and content area. ASHA CE Provider approval does not imply endorsement of course content, specific products or clinical procedures.
